

A decorative graphic on the left side of the slide, consisting of a network of white lines and circles on a blue background, resembling a circuit board or a neural network structure. The lines are vertical and horizontal, with some diagonal connections, and the circles are small and white.

FIELD EXPERIENCE EVALUATION METHODOLOGY

- Evaluation plan includes data collection from participants in Field Experiences
- Based on Evaluation Plan developed and submitted to HRSA in 2018
- Evaluation findings are summarized in a report to HRSA annually end of August
 - Internal biannual summary also planned (January)

Surveying Participants in Field Experiences

- Original design:
 - Pre-rotation and Post-rotation
 - Collected in Qualtrics
 - Collected by Regional Center, RHPPs, and South Campus
 - No timeframe expectations
 - Expectation of collection from all trainees
- Design adaptation:
 - Pre-rotation and Post-rotation
 - Collected through Salesforce
 - Collection timeframe expectations
 - Collected from a subset
 - 40 hour+/1 week+
 - Not collected from trainees who completed it in the last 90 days
 - Not collected from Public Health

Surveying Participants in Field Experiences: Timing

- Regional Center must enter the field experience into Salesforce within three days of the start date to trigger the surveys
 - Pre-Rotation survey triggered 3 days in advance of **start date** in Salesforce (or up to three days after start date)
 - One reminder sent
 - Post-Rotation survey triggered 3 days in advance of **end date** in Salesforce
 - One reminder sent
- RHPPs and South Campus must complete a Projected Rotation form within three days of the start date to trigger the surveys
 - Pre-Rotation survey triggered 3 days in advance of start date in Projected Rotation form (or up to three days after start date)
 - One reminder sent
 - Post-Rotation survey triggered 3 days in advance of end date in Projected Rotation form
 - One reminder sent

January 2020
