

Arizona AHEC Program

FY 2019: 7/1/2018 – 6/30/2019

Q2 YTD Financial Summary

- The quarterly financial report is organized into seven columns (from left to right):
 - Column 1: Line item titles/names.
 - Column 2: Prior year (FY 2018) actuals.
 - Column 3: Current year (FY 2019) budget.
 - Column 4: Current year (FY 2019) actuals YTD – Federal funding.
 - Column 5: Current year (FY 2019) actuals YTD – State funding.
 - Column 6: Current year (FY 2019) actuals YTD – Total (Federal and State funding combined).
 - Column 7: Comparison of current year Total Budget figures and Total Actual figures.
- Federal AHEC grant funding is disbursed on a reimbursement basis. The Sponsored Projects Services office at the University monitors the expenses in the designated Model AHEC account in the University's financial system, draws funds for unreimbursed expenses, receives the funds from the federal government, and applies them to the Model AHEC account. This process typically takes place 2-3 times per month.
- The Arizona State Lottery distributes AHEC funds to ABOR. ABOR then disburses lottery funding to UA for deposit in the specified state AHEC account in the University's financial system. Lottery funds are received by UA throughout each fiscal year or in a single payment at the end of the fiscal year, depending on the year.
- Program Administration consists of the personnel costs of the AzaAHEC program office, a new Special Advisor to AzaAHEC and SrVP on Tribal Affairs position, and federal AHEC grant indirect costs charged at 8% of modified total direct costs. Program Operations includes the non-personnel operating costs of the AzaAHEC program office.
- Regional Center subcontract expenses are grouped into two categories: "Current FY Allocation" and "Prior FY Allocation". These two categories are separated because the AHEC fiscal year runs from July 1 – June 30 while the AHEC regional Center subcontract year runs from September 1 – August 31. Each AHEC fiscal year includes the last two months of the prior year regional Center subcontracts (July 1 – August 31) and the first ten months of the current regional Center subcontracts (September 1 – June 30).
- Program Initiatives includes AHEC supported initiatives other than the annual base subcontracts issued to each of the five regional AHEC centers, including other initiatives support to the AHEC regional centers. Support issued and paid/transferred in the current fiscal year appears in the "FY19 (Current Fiscal Year) Support" line. Support issued or planned in a prior fiscal year but paid/transferred in the current or a future fiscal year appears in the "Prior Fiscal Years Support" line.
- Total Revenue YTD for FY 2019 is \$5.19 million consisting of \$248.9K of payments for the federal AHEC grant and \$4.94 million from the annual lottery allocation.
- Total Expenses YTD for FY 2019 are \$2.69 million consisting of \$334.3K in Program Administration, \$38.8K in Program Operations, \$1.41M in Regional Center Subcontract payments (\$197.9K current year and \$1.21M prior year), and \$901.6K in Program Initiatives.
