¹ Budget approved by UofA SVPHS on behalf of ABOR.
² Federal Model AHEC funding has a support year of Sep 1 - Aug 31. Two months from the prior support year fall at the beginning of the AHEC fiscal year, which runs from Jul 1 - June 30. The first 10 months of the current support year overlap with current AHEC fiscal year, which runs from Jul 1 - June 30. The current FY17 HRSA award amount is \$527,190.
³ State Lottery funding is contingent on lottery performance from the prior fiscal year.
⁴ Subcontract period is Sep 1 - Aug 31. As such, 10 months of each subcontract fall into the current fiscal year and 2 months fall into the following fiscal year.
⁵ Regional Center Subcontract Expenses are based on actual invoices received and paid.
⁶ Interprofessional Initiatives are ongoing. Once a project has been awarded, the full amount of awarded monies are transferred out of the AHEC fund. Support external to the UofA is issued via purchase order and paid via invoicing.
⁷ Interprofessional Initiatives are not included in calculating the 25% HRSA target for Program Administration and Operations.
⁸ Includes any pending amount to be drawn from HRSA at report cut off date.
⁹ AHEC maintains a balance sufficient to support 1-year of operations in the absence of future funding. As of the beginning of FY 2017 on 7/1/2016, it stood at \$12,387,204. As of 12/31/2016, it stood at \$9,988,517.

Arizona AHEC Program

FY17: 7/1/2016 – 6/30/2017

Q2 YTD Financial Summary

- The quarterly financial report is organized into seven columns (from left to right):
 - Column 1: Line item titles/names.
 - Column 2: Prior year (FY 2016) actuals.
 - Column 3: Current year (FY 2017) budget.
 - Column 4: Current year (FY 2017) actuals YTD – Federal funding.
 - Column 5: Current year (FY 2017) actuals YTD – State funding.
 - Column 6: Current year (FY 2017) actuals YTD – Total (Federal and State funding combined).
 - Column 7: Comparison of current year Total Budget figures and Total Actual figures.

- The AHEC fund balance at 7/1/2016 (the beginning of FY 2017) was \$12,387,204. This fund balance consisted of (1) State lottery distributions received by AHEC during FY 2016 of \$4,811,931 and (2) a carryforward reserve of \$7,575,273. The goal for the carryforward reserve is to maintain a balance sufficient to support one year of operations to sustain the AHEC program in the event future funding is disrupted. By the end of FY17 Q2 at 12/31/2016, the fund balance had decreased to \$9,988,517. This reflects YTD State expenditures of \$2,398,687.

- Model AHEC federal funding is disbursed on a reimbursement basis. The Sponsored Projects Services office at the University monitors the expenses in the designated Model AHEC account in the University's financial system, draws funds for unreimbursed expenses, receives the funds from the federal government, and applies them to the Model AHEC account. This process typically takes place 2-3 times per month.

- Regional Center subcontract expenses are grouped into two categories: "Current FY Allocation" and "Prior FY Allocation". These two categories are separated because the AHEC fiscal year runs from July 1 – June 30 while the AHEC regional Center subcontract year runs from September 1 – August 31. The beginning of each AHEC fiscal year includes the last two months of the prior year regional Center subcontracts (July 1 – August 31) and the first ten months of the current regional Center subcontracts (September 1 – June 30).

- AHEC Program Administration and Operations expenses are 25% of the combined total of Program Administration and Operations and regional Center subcontract expenses, which is equal to the 25% HRSA target.
